

Science Transfer to University of Victoria

Faculty of Science

It is the student's responsibility to meet UVic's general admission requirements. Please follow this link for UVic's English Language requirements:

<https://www.uvic.ca/future-students/undergraduate/admissions/language/index.php>

Please use the following links to find information on general admission requirements and program requirements:

<https://www.uvic.ca/future-students/undergraduate/admissions/transfer/bc-colleges/index.php>

<https://www.uvic.ca/current-students/home/planning/program-outlines/index.php>

For more general information here's the link UVic's Faculty of Science:

<https://www.uvic.ca/science/index.php>

Main points to remember:

- English proficiency can be demonstrated with completion of 1.5 or more units of transferrable English
- Minimum admission requirement for transfer students: 8 university-level courses
- Repeated and failed courses are included in GPA calculations.
- Averages are calculated using term GPAs, not individual courses.

Courses available at Alexander College that may assist you in transferring to UVic:

UNIVERSITY OF VICTORIA COURSE	ALEXANDER COLLEGE COURSE
Faculty Admission Requirements	
ENGL 135 (1.5)	ENGL 100 (3)
Two of:
