**ACSA SECRETARY**

**Hello Everyone,**

**I am the Secretary of ACSA (Alexander College Student Association). I believe everyone does not know much about what ACSA is and what they are doing. First, I want to say that as an International student, I experienced loneliness when I first came to Canada. However, as an ACSA member, I believe every student who comes from a different country, should feel like they belong in this College. Therefore, we want students to feel like the College is their second home. We are trying our best to serve you guys as much as we can and organize more activities for you to make new friends. ACSA is always there to support you if you have any questions or problems, and we are happy to listen when you want to share. Come out and join us at the next ACSA meeting!**

# PROTECTION FROM THE CORONAVIRUS (COVID-19)!

## WASH YOUR HANDS

Washing hands will help you avoid the infection of the Coronavirus (COVID-19). It is suggested that one should wash their hands for at least 20 seconds. Washing your hands frequently will help you avoid any infection including coughing or sneezing. The best times to wash hands is before eating and after transiting.

## WEAR MASKS

You can use mask to further avoid any infection. As this virus is contagious so it is better to cover your mouth and nose area to prevent the spread of the infection.

**TOP TIP:** you can even buy masks on Amazon.

## SANITIZE MORE

The more you sanitize your hands, the more you can stay protected.

**TOP TIP:** purchase a mini hand sanitizer to carry with you, so you can easily sanitize whenever or wherever you want!

# AC ATHLETICS

## BASKETBALL

Do you love playing basketball? If you do we have the perfect team for you, AC EXPLORERS. We practice every Monday from 5 - 7 pm at Maywood Community School. Come and be part of the first ever basketball team at Alexander College.

## SOCCER

Alexander College is always trying to improve athletics. We are kicking it off with the first soccer practice on Thursday, Feb 6 at the BCIT soccer field. It is just a 17 minute bus ride away from Alexander College Burnaby Campus. The bus that you have to take is 130.

# HIGHLIGHTS FROM THE MOSAIC WORKSHOP

## ENLIGHTENING WORKSHOP!

It was an informative workshop in which AC students could freely discuss sensitive topics such as sexual harassment. In the Mosaic workshop, we focused on understanding why it is the norm to overlook it, and how we can protect ourselves and others in those types of situations.
