Under 'News', you can filter article type, news source, and language

# GUIDED SEARCH

Selecting 'News' let's you choose the date range for publications and the keywords that will be searched for

## Guided Search

The screenshot shows the 'Guided Search' interface for 'News'. On the left, under 'What are you interested in?', the 'News' button is selected. In the center, there is a text input field labeled 'Search in all News for' with the placeholder text 'Enter keywords or subjects'. On the right, under 'Choose date range', a dropdown menu is open, showing options: 'All available dates', 'One day', '7 days', '30 days', '3 months', 'One year', and 'Select date range'. A blue 'Search' button is located to the right of the dropdown menu.

Selecting 'Company Info' let's you choose the type of company info you want, and lets you enter the company name as a keyword

## Guided Search

The screenshot shows the 'Guided Search' interface for 'Company Info'. On the left, under 'What are you interested in?', the 'Company Info' button is selected. In the center, there is a text input field labeled 'Search in all Company Information for:' with the placeholder text 'Enter a company name'. On the right, under '..and show me', a dropdown menu is open, showing options: 'Company Profile', 'Company Profile', 'All company information', 'Analyst Reports', 'Mergers and Acquisitions', and 'SEC Filings'. A blue 'Search' button is located to the right of the dropdown menu.

- 'Discover Topics' lets user search for trending topics in business, criminal justice, and political science
- Searching within a subject works the same way as general search but offers different filters such as searching by company name or stock ticker
- Each subject provides a list of key, trending topics that can be used as research topics
- Each subject provides a collection of related sources, including news articles, legal opinions, and blog posts
