Alexander College

YOUR ROAD TO UNIVERSITY STARTS HERE!

DR. MARV WESTROM **PRESIDENT'S MESSAGE**

Alexander College is small compared with a public university but, as an alumnus, I hope you agree that it serves a useful purpose. We believe that we help young people build meaningful lives by helping them learn English and acquiring skills that enable them to find good jobs or go on to further education. I hope that you have had the opportunity to keep in touch with classmates. If not, I urge you to keep in touch with our alumni association to learn what your classmates are doing.

SCOTT MARSDEN **DIRECTOR OF STUDENT** **AFFAIRS' MESSAGE**

Becoming part of the Alexander College Alumni community is a significant step in your educational and life journeys. We have been very happy to host you over the past two, or sometimes more, years as you completed your degrees; and while you are all off starting new adventures whether in University Transfer programs, starting careers utilizing the skills you developed at the College, starting families or pursuing citizenship, you take your memories and time at AC with you as part of your formative experience - hopefully forever changed by your time with us.
