SUCCESS STORIES

2022 - 2023 University Admission Letters

UNIVERSITY OF
TORONTO

February 08, 2022

Kim

Birthdate: 2004

Student Number:

Dear

We are delighted to offer you a place at the University of Toronto. Your record of achievement has distinguished you in a pool of highly accomplished applicants and you have been selected for admission in the 2022-2023 academic year to Upper Year Studies, Honours Bachelor of Arts at the Faculty of Arts and Science with membership to Trinity College. Congratulations!

At the University of Toronto, we are committed to helping you reach your highest potential. We believe you will be an excellent addition to a community of scholars who share a passion for learning, a deep curiosity about the world and a commitment to making a difference. You'll have a chance to learn from professors who lead in their fields and to benefit from the resources of a major international institution. You'll make friends with others who share your interests and aspirations.

Some important logistics:

- Legally speaking: Please read the Terms and Conditions of this offer outlined in your Join portal.
- Accept your offer via Join. Your response must be received no later than May 01, 2022.
- **You must apply for a study permit as soon as possible, using the letter of acceptance attached on the second page of this admission package.**

Once again, congratulations. We hope that you will take this opportunity to write the next chapter of your life at the University of Toronto and make your distinctive contribution to our proud legacy of excellence.

Sincerely,

Meric S. Gertler
President

That's Offer of Admission

UBC student number:

You have been admitted to:

Program: Bachelor of Commerce program

Campus: Vancouver

Session: 2022-2023 Winter Session

Year Level: 3

Program: Bachelor of Arts program

Campus: Vancouver

Session: 2022-2023 Winter Session

Year Level: 2

Exciting things are happening with your UBC application!

You have been admitted to more than one program at the university. Please accept your preferred program and decline the other offer.

Accepting/declining your offer of admission

To secure your spot at UBC, you must accept your offer of admission and pay your acceptance deposit no later than June 10, 2022. Log in to the Student Service Centre at www.students.ubc.ca/ssc and select "Accept or Decline My Offer." If you do not plan to attend UBC, please decline your offer so we can provide your spot to another student.

Additional information

Important information regarding housing, financial planning, and registration can be found in the "After you've been admitted" section of our website at <https://you.ubc.ca/beginhere>. For information on your student record, registration timeline and degree progress, visit the Student Service Centre at students.ubc.ca/ssc.

You can estimate the tuition and living costs for your degree using our cost calculator and develop a financial plan using our budget-planning spreadsheet at <https://you.ubc.ca/financial-planning/cost/>.

Students can view their transfer credit at www.students.ubc.ca/ssc by selecting 'Transfer Credit' under the 'Grades and Records' menu. Refer to your Faculty's undergraduate degree requirements information, and consult an academic advisor if you have questions regarding applicability of credits to your program.

Ha's Offer of Admission

Ling's Offer of Admission

UBC student number:

You have been admitted to:

Program: Bachelor of Arts program

Campus: Vancouver

Session: 2022-2023 Winter Session

Year Level: 3

To keep your offer of admission to UBC, you must:

- Successfully complete all courses required for entry into your program.
- Maintain an admission average above the university minimum.
- Remain in good academic standing in your current program.
- Submit your final official transcript(s) by May 15th to verify that the above conditions have been met.

Review <https://you.ubc.ca/keep-offer> for the conditions of this offer of admission. It is your responsibility to provide UBC with the documents that confirm these conditions have been met as soon as possible. If you fail to meet any of the conditions listed above, you may lose your offer of admission to UBC.

Please continue to check the Student Service Centre at <http://students.ubc.ca/ssc> for updates to your first choice program.

Accepting/declining your offer of admission

To secure your spot at UBC, you must accept your offer of admission and pay your acceptance deposit no later than May 01, 2022. Log in to the Student Service Centre at www.students.ubc.ca/ssc and select "Accept or Decline My Offer." If you do not plan to attend UBC, please decline your offer so we can provide your spot to another student.

Please contact admissions.inquiry@ubc.ca with the subject line -- Documents Require Verification-- for more information about sending official documents to UBC.

Transfer credit has not been assigned as you were admitted on the basis of a prior degree. Please contact your Program Advisor prior to registering for courses in order to determine your program requirements.

Transfer applicants to Year 2 of the Bachelor of Science Program may be eligible for placement into Year 3 of a specialization (Major or Honours) based on their previously completed coursework. Depending on your area of specialization, you may be eligible for Year 3. Please visit <http://science.ubc.ca/future/transferapplicants> for the form and instructions (see the section Are You Eligible for Third Year?). Please submit the form within 14 days of receiving this letter.

Your registration has been blocked until you have sought program advising from your Faculty.

Student Number:

Dear

I am delighted that you've received an offer to the Faculty of Communication, Art and Technology (FCAT) at Simon Fraser University! Now you belong to a dynamic and engaged community of artists, makers, researchers, scholars, and technologists. Your fellow students, renowned faculty members, and amazing staff and administrators are here to guide you on this exciting new journey.

Communication, Art, and Technology is a diverse Faculty that will provide you with a range of interdisciplinary skills allowing you to be responsive to society's needs and interests. Community is also a very important part of the university experience; remember to connect with others and engage in extracurricular activities and community events. The connections you make will be instrumental to creating your future successes, providing lifelong friendships and opportunities.

I am pleased to have you in our classes and in our community. Most importantly, I wish you every success. Enjoy your time at SFU in the Faculty of Communication, Art and Technology!

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'C. Neustaedter'.

Dr. Carman Neustaedter
Dean, Faculty of Communication, Art and Technology

Student Number:

Dear

Congratulations on receiving the enclosed offer of admission to the Faculty of Arts and Social Sciences (FASS) at Simon Fraser University.

All of our departments and programs - 23 in total! - are directly relevant to society's most pressing issues. In a constantly changing world, FASS's diverse programs are the best place for you to create meaning in an unpredictable future. From Gender, Sexuality, and Women's Studies, to Labour Studies, Political Science, and Indigenous Studies, everything you study at FASS will empower you to make the most of your life, career, and future.

I encourage you to meet with our advisors at Arts Central, our hub for all new FASS students. Be sure to talk to them about your interests and life goals. Their guidance will open up many opportunities you may not yet be aware of: new subjects to try, student unions, mentorship, publications to feature your work, funding and awards to ease your finances and raise your profile, in addition to Co-op work opportunities and career services. SFU is the engaged university; at FASS we'll show you the best ways to get involved so that you make the most of your university experience.

In the end, you will not only successfully complete an Arts degree but you will do so with skills, work experience, profound confidence, and invaluable connections that will propel you into new projects and opportunities aligned with the future you.

We look forward to welcoming you to our Faculty and extend our best wishes for your continued academic success.

Sincerely,

Dr. Peter V. Hall
Dean of Arts and Social Sciences

Urabe

Student Number:

Dear

I am delighted to welcome you to our incredible community, and for you to begin your [Bachelor of Business Administration \(BBA\) degree](#).

Our dual [AACSB and EQUIS](#) accredited BBA program provides the flexibility to explore a variety of options before deciding on your career path. You will nurture your passions, and uncover talents and interests you may never have known you had.

Our [strategic pillars](#) that are emphasized throughout your educational journey with us are: 1) Innovation, 2) Social Responsibility, and 3) Global Perspective in an environment that is inspired by research and grounded in practice of management.

In addition to participating in our outstanding academic program, you will build strong connections outside of the classroom. You can choose to gain work experience from our [Co-op education program](#), explore the world and obtain global insight through our [international exchange program](#) with our business school partners from all across the world, participate in our unique [Mentors in Business \(MIB\) program](#), compete in local, national or international [case competitions](#), represent the school at conferences, and much more. I encourage you to attend our Beedie Launch Orientation to connect with our experienced faculty members, mentors and support staff to learn about the opportunities that are available to you.

I look forward to meeting you and can't wait to hear more about your unique journey as you join our Beedie community.

Yours sincerely,

Dr. Ujwal Kayande
Dean, Beedie School of Business

Pride. Presence. Responsibility.

Dear

Congratulations on your achievements and your admission to the Faculty of Applied Sciences at Simon Fraser University! As you read this, we are still in the midst of a pandemic, but there is light at the end of the tunnel. One lesson from this past year is that the pursuit of higher education has never been more critical. More than ever, we need innovators and problem-solvers to tackle our world's most pressing issues. I expect you have been thinking about our renowned high-tech programs in computing and engineering; we certainly have been thinking about you! I picture you among the next generation of global technology leaders who will make a long-lasting societal impact. Our students have excellent prospects for high-tech careers and graduate studies through opportunities available at SFU.

Build an interdisciplinary skill set. Combine your foundational computing or engineering skills with many other world-class studies that SFU offers, such as science, economics, entrepreneurship, or liberal arts, to approach technical problems from a broader perspective.

Gain real-world experience. Explore your career paths with paid internship opportunities that complement your academic studies and provide practical, hands-on experience.

Train with internationally-renowned experts. Learn from top researchers in academia and industry who are making ground-breaking discoveries. These connections will last well beyond graduation.

It's an exciting time in the Faculty of Applied Sciences on both our Burnaby and Surrey campuses. Our international reputation in computing science has been growing quickly, and we are expanding our unique accredited programs in engineering science, mechatronics, and sustainable energy engineering. I hope you will join us as together we shape the future of computing and engineering.

Yours sincerely,

Eugene Fiume, FRSC
Dean of the Faculty of Applied Sciences

Zhou

Dear

Congratulations on your academic achievement! On behalf of the University of Victoria, I am pleased to offer you conditional admission to begin studies in September 2022.

This offer is conditional upon meeting the minimum standards (courses and grades) as outlined below under the Conditions of Admission section. It is your responsibility to ensure that all conditions of your admission have been met and that your required documents arrive in our office **by the deadline indicated on your application checklist** or this offer will be withdrawn.

Please read this email carefully. The **Admission summary** and **Important notes** sections below provide all the details about the program you are being offered, as well as your current status and any conditions you must meet. Instructions listed under **Next steps** explain how to reserve your seat at UVic and get started with the registration process. If you have any questions about your offer, please contact me as soon as possible.

The faculty, staff and students at UVic hope that you will find your studies here both challenging and rewarding.

Sincerely,

Weilin Yuan

Admission Officer
