A top-down view of a workspace. In the upper left, a white smartphone lies on a dark surface. To its right, a pair of black-rimmed glasses rests on a white laptop. The laptop's keyboard is visible, showing keys like '5', '6', '7', '8', '9', 'R', 'T', 'Y', 'U', 'I', 'O', 'F', 'G', 'H', 'J', 'K', 'L', 'V', 'B', 'N', 'M', and '<'. In the bottom right corner, a white coffee cup filled with dark coffee sits on a matching saucer. The entire scene is set against a dark, textured background.

# How to Use the EBSCO Mobile App for Searching

---

AC Library

# Why Use the EBSCO Mobile App?

---

- Easy searching on your smartphone
- Like/save articles
- Listen to articles

Note: the App does not search all of the Library databases. We recommend using a laptop or computer to search specialized databases for BIOL, COMM, FILM, HIST, PSYC

# Download the App for your Mobile Device

The image displays two side-by-side screenshots of mobile app stores. The left screenshot is from the Apple App Store, showing the 'EBSCO Mobile' app page. It features the app's logo, a 4+ age rating, a 4.5-star rating from 36 reviews, and a 'Free' price tag. The right screenshot is from the Google Play Store, showing the 'EBSCO Mobile' app page. It includes the app's logo, a 4.5-star rating from 49 reviews, and an 'Install' button. Below the app name, there are three preview images showing the app's interface on a mobile device, with text overlays: 'Make progress on your research from anywhere.', 'The content you need', and 'Search & discover'.
