

University Transfer Guide 2022 - 2023

UBC Bachelor of Arts: Computer Science

The following information is a summary of the transfer and program requirements from the university website. For more detailed information such as additional courses, GPA requirements etc., please consult with one of our academic advisors

To apply to UBC as a transfer student, you are strongly encouraged to have **24 transferable credits completed by May**. Having more than 24 credits applicable to your intended program may increase your likelihood of admission. <https://you.ubc.ca/applying-ubc/requirements/university-college-transfer/>

The following information is from UBC website:

Admission to the Major or Minor is not automatic and competitive.

- Students must meet the following minimum requirement for admission to Computer Science major:
70% average over grades obtained in: UBC CPSC 110 (or CPSC 107), CPSC 121 and CPSC 210. However, please note that **meeting the 70% average above DOES NOT guarantee admission**: it is the minimum requirement to apply.
- Successfully complete **six credits of post-secondary first-year English studies** at a recognized university in an English-speaking country. For more information, please check UBC [English Language Admission Standard](https://www.cs.ubc.ca/students/undergrad/prospective/switching/computer-science-specializations)
