Dear

We are delighted to offer you a place at the University of Toronto. Your record of achievement has distinguished you in a pool of highly accomplished applicants and you have been selected for admission in the 2025-2026 academic year to Upper Year Studies, Honours Bachelor of Science at the Faculty of Arts and Science with membership to University College. Congratulations!

At the University of Toronto, we are committed to helping you reach your highest potential. We believe you will be an excellent addition to a community of scholars who share a passion for learning, a deep curiosity about the world and a commitment to making a difference. You'll have a chance to learn from professors who lead in their fields and to benefit from the resources of a major international institution. You'll make friends with others who share your interests and aspirations.

Some important logistics:

- Read the Terms and Conditions of this offer outlined in your Join U of T applicant portal.
- Accept your offer via the Join U of T applicant portal. Your response must be received no later than May 01, 2025.
- Make the admission deposit. Follow the instructions on the "Admission Deposit" part of this admission package.
- **Apply for a study permit as soon as possible** using the letter of acceptance attached on the second page of this admission package. You may need to submit a [Provincial Attestation Letter \(PAL\)](#) as part of the study permit application. The University will provide you with a PAL **after** you accept an offer and make the admission deposit.

Once again, congratulations. We hope that you will take this opportunity to write the next chapter of your life at the University of Toronto and make your distinctive contribution to our proud legacy of excellence.

Sincerely,

Dear

Congratulations! It is my pleasure to offer you admission to the University of British Columbia.

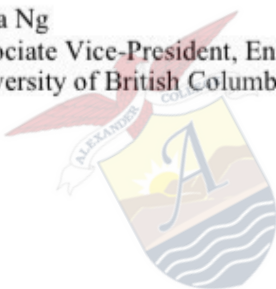

UBC takes great care in selecting the incoming class from each year's pool of remarkable, talented applicants. Your hard work, academic achievements, and experiences have set you apart. I am confident that you will harness your passion and drive to contribute to our vibrant UBC community, and to build upon the outstanding academic legacy of our alumni.

As a UBC student, you will join a diverse group of leaders, scholars, and innovators at one of the top 40 research universities in the world. Students from more than 150 countries choose the University of British Columbia for many reasons. Some choose us for our high academic standards and beautiful campus locations. Others choose us for our outstanding faculty, our globally significant research opportunities, and our commitment to sustainability. Your reasons for choosing UBC will be uniquely yours - but I hope you will accept this offer of admission because UBC believes you have a great deal to accomplish here. It is students, like you, who make the University of British Columbia such an exceptional learning environment.

To formally accept UBC's offer of admission, visit the Applicant Service Centre at <https://myapplication.ubc.ca/>. See the second page of this letter for instructions. Because you are an international student who will be attending UBC for more than six months, you must apply for a study permit as soon as you accept your UBC offer. All the information you need to help you plan for a successful year at UBC is available in the "After you've been admitted" section of our website at <https://you.ubc.ca/beginhere>.

Dear

It is my pleasure to inform you that you have been selected for admission for September 2025 to start in second year (Class of 2029) of the **Bachelor of Engineering Program – Biomedical Engineering Program** at the University of Victoria. An official notice of conditional admission will follow from Undergraduate Admissions in the next 10 – 15 working days.

The conditional offer is subject to the following:

- You must maintain a competitive average of **3.0 GPA** over courses in progress to meet the conditions of your admission to this discipline, including any courses enrolled in the summer session.
- All courses must have **final grades no less than C**, and an **overall GPA of at least 3.0 (C+ average)** to meet minimum admission requirements.
- All courses, including those in progress at the time of your conditional offer and those completed after your conditional offer but prior to arrival UVic, must meet all conditions.
- For courses completed in the January–April term, final official transcripts are due by **May 31st**. For courses registered during the May – August term, final official transcripts are due immediately upon conclusion of the courses and at the latest, by **August 22nd**. Failure to submit official transcripts and/or confirm final grades by the deadlines could result in the cancellation of this offer.
- You must meet any specific requirements outlined under Requirements in the Faculty of Engineering and Computer Science section of the [Calendar](#) and any requirements that applies to your category of admission, as outlined in the Admission requirements section in the current [Calendar](#).

The [Undergraduate Calendar](#) for September 2025 will be available online in late May 2025. You can use this resource to research the program requirements and review regulations.

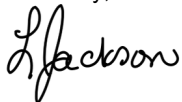

Review your applicable transfer credit. As part of your initial program of studies, you will be required to complete any courses that are missing from the Engineering first year program, this includes [ENGR130 - Introduction to Professional Practice](#). Our office will answer questions about how your transfer credit applies towards program requirements. A copy of our transfer credit policy has been included with your offer, for your information. If required, you will be prompted by the Transfer Credit Office to send in additional course materials in support of the transfer credit evaluation process.

The deadline to accept your offer of admission to the engineering program is **May 1st, 2025**.

- To accept this offer, please pay the acceptance deposit (**\$250 CAD** for domestic students and **\$5000 CAD** for international students). For information on how to pay the acceptance deposit, please refer to the [Tuition Office](#) page.
- For information related to course registration, please refer to [Course Registration](#) page.
- Access the [New Student Checklist](#) for activities that you should complete before starting studies.

You will receive information and updates regarding registration, the Pre-Arrival Program, UVic Orientation and the Faculty of Engineering and Computer Science Welcome, via email. These updates will be emailed to you throughout the summer months. All University communication will be sent to the preferred email that you established with your application. Please check your email regularly for these updates and if you change your email address, you must update this change in your personal profile in your [Online Tools](#).

Sincerely,

NOT FOR VISA PURPOSES

Dear Sharma,

On behalf of the entire community at Thompson Rivers University (TRU), we are delighted to offer you conditional admission into the following program:

PROGRAM	<u>Bachelor of Computing Science Degree</u>
DURATION	September 3, 2025 to August 31, 2029

We are excited to welcome you to TRU and support you on your academic journey.

CONDITIONS OF ADMISSION

TRU requires the following three conditions be met. Documentation does not need to be re-submitted.

1. Provide official or attested transcripts

- All students are required to provide high school transcripts including proof of graduation unless you have completed two or more years in a recognized post-secondary institute.
- Current year BC high school students can order interim and final transcripts through the [Ministry of Education website](#).
- Official transcripts must be sent directly from the issuing institution, either by e-mail or mail, not both. Please send the attached transcript request form to your previous institutions.
- Certified English translations are required if your official records are not in English.
- Attested transcripts (copies of your official transcripts that have been stamped and signed by the Registrar of the issuing institution) may be accepted only where additional official transcripts cannot be issued. Notarized copies are not accepted.

2. Meet TRU's English requirements by providing [an acceptable English language proficiency score](#).

- Students who do not have an official test score will be required to write the TRU English Placement Test (EPT) upon arrival.
 - Students with an official test score that do not meet direct-entry requirements may be required to write the TRU English Placement Test (EPT) upon arrival.
- If you do not meet the academic or English requirements for this program, you will be placed into University Preparation or English for Academic Purposes (EAP) courses at the time of registration.

3. Pay your deposit as outlined in the official invoice on page two by **15 November 2024**.

If you have any questions, we are always here to help. Feel free to contact us at iapply@tru.ca.

Sincerely,

Respond to your offer online

As an international student there are a number of steps you need to complete to finalise your enrolment. The [Get Started at Melbourne](#) website will guide you through these steps to ensure a smooth transition from accepting your offer to your first class. You can also find information on deferring or declining your offer.

Due to restrictions on international student enrolments set by the Australian Government, places in this program may be limited. If the limit is reached before you accept the program and pay the tuition deposit, the offer will no longer be valid and will automatically lapse. We recommend that you accept the offer as soon as possible to secure your place. We may also withdraw this offer at any time by notice to you. For further information about international student enrolment limits, [visit our website](#).
