

University Transfer Guide 2025 - 2026

University of Toronto: Faculty of Arts and Science - Psychology

The following information is from UofT website:

<https://www.artsci.utoronto.ca/future/ready-apply/admission-requirements/transfer-students>

Credit transfer to university is not guaranteed and must be approved by the Department.

Admission consideration for transfer students will be based on a combination of academic record from **post-secondary studies**, **cumulative grade point average (CGPA)**, **most recent annual grade point average**, results in **prerequisite courses**, **English proficiency** (if required) and academic performance in matriculation/high school, where applicable. Admission decisions are typically based on your CGPA, including final results for the current academic year, including second term. Conditional admission may be granted prior to the completion of the academic year **based on a strong and consistent academic record**, including **strong results in prerequisite courses**.

- A **minimum cumulative grade point average (CGPA) of 3.3 or a solid 'B+' average** is required.
- Program prerequisites must be met at the senior high school level, or two full college-level semesters of an academic subject may be considered to satisfy a prerequisite.
- Entry into all Psychology programs requires **Grade 12 Calculus and Grade 12 Biology** (we will also accept these two courses taken at the college and university-level). Please note that these two requirements will not be waived.
- This is a limited enrolment program. Note there are different options depending on whether a student has completed between 4.0 and 8.5 credits (8 to 17 courses), or 9.0 or more credits (18 courses).
- **English proficiency requirements:** The **minimum requirement is one year of full-time study** completed at a recognized university/college in a country where English is the dominant language. **At least four full-year transferable courses (8 courses) completed with a grade of "C" in each course** are required. Courses in progress will also be considered. A current, updated transcript is required.
- In past admission cycles, the average grade cut-off for the PSY Major program ranged from approximately **78-79%**.
