

# University Transfer Guide 2025 - 2026

## KPU Faculty of Science: Health Science

The following information is a summary of the transfer and program requirements from transfer pathway between Alexander College and KPU. For more detailed information such as additional courses, GPA requirements etc., please consult with one of our academic advisors.

### The following information is from the block transfer agreement

- Students transferring into third year of KPU's BSc Major in Health Science must complete 50% of all 35 courses at KPU, which allows for 17 transfer courses at first and second year.
- AC transfer students would complete KPU's BIOL 2320 (4) – Genetics and HSCI 2220 (3) – Medical Terminology after transferring to KPU.
- Pending course-to-course transfer in the *BC Transfer Guide*, elective options are likely diverse.
- Subject to GPA, the table shows how Alexander College's Associate of Science graduates could receive credit for the maximum 17 courses while fulfilling most of KPU's first- and second-year course requirements.
