University Transfer Guide 2026 - 2027

TRU Bachelor of Science: Nursing

The following information is a summary of the transfer and program requirements from the university website. For more detailed information such as additional courses, GPA requirements etc., please consult with one of our academic advisors.

Applicants are assessed on their academic performance, as well as work history, and experience in healthcare along with other academic performance including high school or post-secondary grades.

The following information is from TRU's website:

- Overall **GPA of 3.0 or higher** in (up to) the **last 30 credits of post-secondary credits**
- Completion of the following 12 credits:
  - **English 1000 level or higher with a C+ minimum**
  - **Biology 1000 level or higher with a C+ minimum**
  - **Social science 1000 or higher with C+ minimum**
  - **Math/science 1000 or higher with a C+ minimum**
- Applicants in this category must have the four post-secondary courses noted above. A GPA will be generated for post-secondary coursework. **If an applicant has more than 30 credits, the most recent 30 credits will be used for GPA consideration and ranking.**
- Additional requirements: Applicants will be required to complete **CASPer (an online situational judgement test).** https://www.tru.ca/nursing/programs/bsn/requirements.html#post
