University Transfer Guide 2026 - 2027

UNBC Bachelor of Applied Science: Engineering (Civil and Environmental Engineering degree programs)

The following information is a summary of the transfer and program requirements from the university website. For more detailed information such as additional courses, GPA requirements etc., please consult with one of our academic advisors.

The following information is from UNBC's website:

- English Language Proficiency: A **final grade of 75% (B) or better** in a university-transferable English course.
- The admission GPA for transfer students into the Environmental Engineering program is assessed on the following four courses or their university transferrable equivalents**: Math 12 or Pre-calculus 12, English 12, and two provincially examinable Science 12 courses**. To be considered for admission into the program, transfer students must have **at least a 75% average** based on these four courses or their equivalents.
- Have attempted **at least 15 credit hours of post-secondary transferrable coursework** from a recognized institution
- Have a **2.0 GPA from the most recent 30 credits** prior to transfer
- Transfer students must also have an overall Cumulative **transfer GPA of at least 2.00**, which is based on all their university transferrable coursework. Regardless of the articulated courses transferred, students must satisfy the residency requirement of a minimum of 90 credit hours.
- Priority admission is given to students who meet the admission criteria and apply by the deadline of March 1. https://www.unbc.ca/admissions/undergraduate/transfer-student-admission-requirements#

Sample Transfer Plan

Transfer Requirements

Alexander College (ALEX)	University of Northern British Columbia (UNBC)
ENGL 100 (3 credits)	ENGL 170 (3 credits)
ENGL 200 (3 credits)	ENGR 110 (3 credits)
CHEM 101 (4 credits) & CHEM 102 (4 credits)	CHEM 100 (3 credits) & CHEM 101 (3 credits) & CHEM 120 (1 credit) & CHEM 121 (1 credit)
CPSC 111 (4 credits)	CPSC 110 (3 credits)
MATH 151 (3 credits)	MATH 100 (3 credits)
PHYS 141 (4 credits) and PHYS 142 (4 credits) [1]	PHYS 110 (4 credits) & PHYS 111 (4 credits)
Program Requirements or Electives	See an academic advisor for more details

[1] UNBC PHYS 111(AC PHYS 142) is not required for Environmental Engineering degree program.

Recommended Courses

Alexander College (ALEX)	University of Northern British Columbia (UNBC)
MATH 152 (3 credits)	MATH 101 (3 credits)
MATH 232 (3 credits)	MATH 220 (3 credits)
MATH 251 (3 credits)	MATH 200 (3 credits)
MATH 255 (3 credits)	MATH 230 (3 credits)

Please check https://www.unbc.ca/calendar/undergraduate/school-engineering-basc-program#CivilEngineering for more details.

Please check https://www.bctransferguide.ca/ for specific transfer details.

Please note: Ensure you are using the most current version of this form. We are checking the requirements regularly, but the receiving university's transfer requirements can be changed anytime without notice. It is the student's responsibility to make sure to meet university's general admission requirements.

The information is last verified on Oct. 19, 2026
