University Transfer Guide 2026 - 2027

UVic Faculty of Science: School of Molecular life Sciences - Biochemistry options

The following information is a summary of the transfer and program requirements from the university website. For more detailed information such as additional courses, GPA requirements etc., please consult with one of our academic advisors.

Apply to the Faculty of Science (Undeclared) as a high school student or a transfer student from another post-secondary institution. You can declare this program as your major after one or more years of full-time study.

The following information is from UVic website:

- English Language Proficiency
- Faculty of Science requirements:
  - Student must have transfer credit for at least 12 units of courses with an average, as determined by UVic, of at least **60%(C grade**) calculated on courses taken most recently (to a maximum of 15 units). This requirement includes repeated and failed courses. (equivalent to Alexander College 24 - 30 credits).
  - be eligible for transfer credit for at least 9 units of Science courses including credit for at least 3 units (**two courses**) of Mathematics selected from MATH 100, 109, 101, 102, 151
  - Admission averages include all repeated and failed courses.

Students enrolled through the Faculty of Science must satisfy the Faculty of Science Requirements.

Please check https://www.bctransferguide.ca/ for specific transfer details.

Please note: Ensure you are using the most current version of this form. We are checking the requirements regularly, but the receiving university's transfer requirements can be changed anytime without notice. It is the student's responsibility to make sure to meet university's general admission requirements.

The information is last verified on Oct. 19, 2026
