

# Flexible Pre-Major: Economics

To learn about Flexible Pre-Majors, please use the following online resources:

<http://www.bctransferguide.ca/fpm>

<http://alexandercollege.ca/programs/flexible-pre-majors/>

Please use the following link to access requirements for the Economics FPM:

<http://www.bctransferguide.ca/fpm/econ>

Main points to remember:

- FPM below is valid only for transfer to a BCCAT member institution. See an Academic Advisor for out-of-province transfers.
- English proficiency can be demonstrated with completion of 3-6 credits of university English
- Students have to apply with minimum of 24 credits that are transferable to the receiving university. Third year admission generally requires the completion of 54 credits. Depending on the receiving institution, this may or may not be required prior to transfer. See an Academic Advisor for details.
- Students are advised that completion of the Economics Flexible Pre-Major does **not** guarantee acceptance into programs with an Economics major. Acceptance depends on students obtaining a competitive GPA and/or meeting any other admission requirements specified by the receiving institution.

Courses available at Alexander College that may assist you in transferring to an Economics program:

---

## ALEXANDER COLLEGE COURSES

---
